# Fresh urban design

At first glance, the building comes across as an architect's expression of vibrant street art. The façade of this building is a bold urban splash of colour, form and shapes, a statement of individuality that sits well with the people who want to live here. A striking building with colourful panels creates a unique and distinctive look. As a head-turning landmark, you couldn't ask for a more striking address on Queen West. When you enter the lobby you will discover individuality is more than just skin deep. The suspended light fixtures and wall art give a sophisticated, yet playful ambience to this eclectic setting.

# Style, Art & Culture

*Queen West* is ground zero for some of the city's most cutting edge fashion boutiques, galleries, restaurants, bars, and nightlife dotting the streetscape from Trinity Bellwoods Park to Dufferin Street. Anchored by iconic cultural destinations such as The Drake and Gladstone Hotels, this eclectic Toronto neighbourhood is known for its creativity, camaraderie and community. Not to be overlooked are tucked-away hotspots like Julie's Cuban and Luna Cafe up on Dovercourt or the burgeoning South Ossington strip. With sexy new storefronts, edgy tattoo parlours, stylish furniture shops, swanky lounges and bars, Queen West buzzes with energy day and night.

home

# Inspiration for your soul

While the neighbourhood has all the ingredients for a vibrant lifestyle, the building itself is also well-endowed with up-to-date fitness and social amenities situated on the 2nd floor of the building. The state-of-the-art fitness room will help you stay in peak physical shape. Ideal for entertaining, the trend setting party room is perfect for small, intimate affairs or large social gatherings. Outfitted with a kitchenette and servery, it is classy, convenient and congenial. Outside is a magnificently landscaped terrace garden with barbecues for dining alfresco, entertaining friends and taking in views of the Queen West scene.

# Suite. design *as* unique *as* you

The building offers a fine balance of form, function and design with bright living areas, well thought out bedrooms, stylish modern kitchens and bathrooms. Interior design is clean, crisp and cool, making use of every inch of available space for living well. Thoughtfully designed floorplan layouts create the perfect ambience for living and entertaining, while providing privacy and solitude. Features and finishes are of an exceptionally high standard and craftsmanship is second to none. Luxurious ensuites come with soaker tubs and elegant vanity stands. Gourmet kitchens dazzle with stylish countertops and fine crafted cabinetry.
